Kamloops, BC

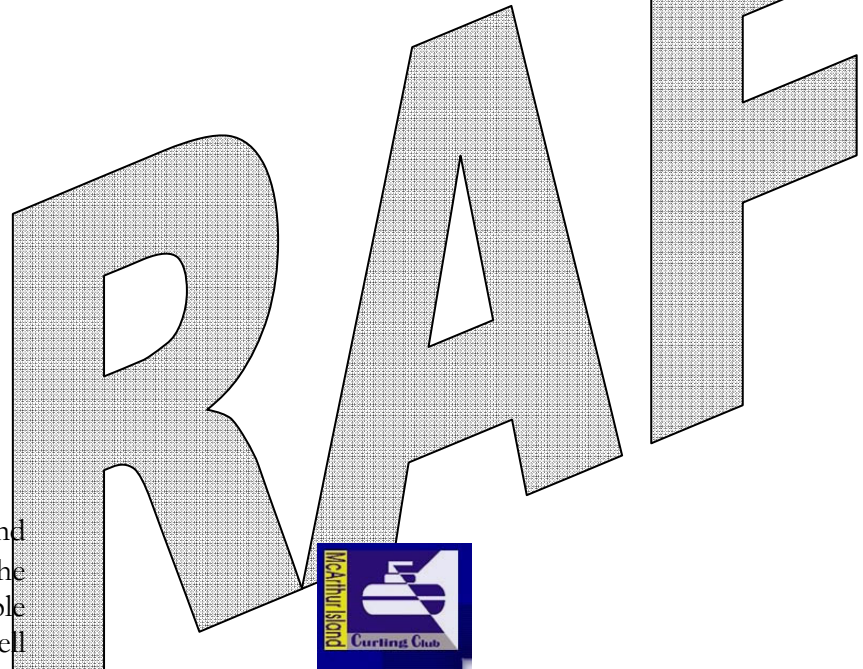

---

**Phone: 250-554-1911**

## **WHAT YOU GET WITH THE MCARTHUR ISLAND CURLING CLUB**

There are many advantages to having your party, get together, or business function at the McArthur Island Curling Club. Here are just a few of them;

- 1.** We can hold up to 70 people for inner and can accommodate up to 80 people for seminars, meetings or parties.
- 2.** Our price is unbeatable. With the advantage of being designed for our curling season our lounge is available during the summer months for an extremely competitive rate.
- 3.** We have a fully licensed bar and our bartenders can accommodate the needs of our clientele. We have multiple beer selections, multiple liquors as well as nonalcoholic drinks at very reasonable prices

## **Ice Rentals**

While our Curling Club is extremely busy we still have available times throughout our season where individuals can bring a group and enjoy one of Canada's most valued past times.

Never curled before, not a problem; our club has numerous CCA (Canadian Curling Association) trained coaches who for a small fee are more than willing to start you out in the right direction.

Also we have beginner clinics throughout the year that are available to members and non-members; a small fee is associated with these clinics.

As with everything else at our club we have very reasonable prices to help make your experience with us as pleasant as possible
